World Harvest Bible College Graduate Degrees

World Harvest Bible College awards the following graduate degrees: the Master of Arts in Christian Ministry Degree, Master of Divinity in Christian Ministry Degree, Doctor of Ministry Degree, and Doctor of Theology Degree.

Admissions

To be considered for admission into World Harvest Bible College, the candidate must submit: 1) proof of prior learning, (high school transcript, GED, or a transcript from another institution of higher learning); 2) a completed application with \$25 non-refundable application fee; 3) a personal reference from a pastor or other church leader; and 4) an essay telling your testimony.

Candidates entering the graduate school must present the prerequisite degree from an accredited institution of higher learning. Generally, a Master degree requires a bachelor degree for entry into the program and a doctoral degree requires a master degree for entry into the program.

Transfer Credits from Other Qualified Schools

World Harvest Bible College accepts a transfer of credit hours previously earned at other institutions of higher learning. The following criteria will be used to determine any transfer of credit hours:

Transfers can only be accepted from other accredited schools of higher learning.

An official transcript must be received by WHBC for evaluation.

A course syllabus or school catalog must be supplied in order to determine the content of any course. Course titles do not necessarily mean similar content to WHBC courses.

Only courses where a "C" or better was earned may transfer.

World Harvest Bible College has a 25% residency requirement. Any certificate, diploma, or degree earned at World Harvest Bible College must have at least 25% of the credit hours earned at WHBC. For example, a student working on the Master of Divinity degree transfers in 50 credit hours of previous work from a qualified institution of higher learning. Since the MDiv requires 60 credit hours, that student must earn 15 more credit hours in courses at WHBC in order to receive the degree.

All correspondence students and online students in the graduate school are on a pre-paid basis only. Online and correspondence students may however pay for one class at a time (as the class is requested) in order to spread out the cost of the degree over their

individual progression through the graduate school. Before receiving credit, all tuition must be paid in full. A \$15.00 late fee will be added for payments not received on time. Students who are more than ten days late on any payment will not be allowed to continue their studies. There is a \$40.00 returned check fee for each dishonored check. WHBC accepts all major credit cards.

No student will be graduated until all tuition, fees, and other charges are paid in full. No transcripts may be issued to any student with unpaid balances.

Refund Policies

|-------------------------------------------------------|-----------|
| During drop / add period, first 2 weeks of class..... | 100% |
| During the third week of class | 50% |
| After the third week of class | no refund |

Note to Students Receiving Veteran's Administration Benefits:

Only students enrolled in the Bachelor of Arts in Christian Ministry are eligible for VA benefits. A refund of the unused portion of tuition, fees, and other charges will be made to the veteran or eligible persons who fail to enter or fail to complete the course as required by the Veteran's Administration regulations. The refund will be within 10% of an exact pro-rata refund. No more than \$10.00 of the established registration fee will be retained if a veteran or eligible person fails to enter the course.

The code states that the exact proration will be determined on the ratio of the number of days of instruction completed by the student to the total number of instructional days in the course. No VA student will be required to go on a trip or perform practicum as a part of the AA or BA degree.

This policy will change upon accreditation of the school. The State Approving agency will be notified accordingly.

Attendance Policy

Any variance from this standard must be requested from the Director. On-line students may submit work through Moodle, the on-line class room of World Harvest Bible College. Regular progress is an expectation of any graduate program student. Supervising instructors can login to Moodle and check on a student's progress at any time.
